 **BASF**

We create chemistry

BASF Days China

26.-28.10.2015

Please apply for event by email to Dr. F. Tiarks including your CV and motivational letter

the latest until

25.09.2015

Send mail to:

franca.tiarks
@basf.com

You are currently doing a **PhD** or **Post-Doc** in Europe in **Chemistry** with focus on Polymers, Material Science or Catalysis?

Or are you in your **Master** or **PhD** of **Engineering** focusing on Chemical or Process Engineering?

You want to know more about BASF and the career opportunities in China?

Apply now for the “**BASF Days China**” from 26th – 28th October 2015 in Ludwigshafen and get to know us better by discussions, presentations, lab visits and a site tour.

You will meet the research experts, experienced engineers and representatives of different BASF sites.

Travel costs and accommodation will be covered.
