

亲爱的会员，

2015年6月15日至19日的法兰克福ACHEMA展会将是世界化学/化工/流程工业同仁的盛大聚会。将近4000家参展商，18万观众以及上百篇的专业报告将在这短短的5天内就化学/化工/流程工业的新趋势，新动向和新的研究成果进行交流展示。具体细节请查看<http://www.achema.de/en.html>

GCCCD理事会为能让会员方便参观展会，与EVONIK Industries AG (赢创工业集团公司 [www.evonik.com](http://www.evonik.com)) 合作，为会员提供免费参观票。并且在17/18日为会员组织参观EVONIK的展位 (9.2馆D40，或5.1馆C17)。此外，17日中午12:00在Forum馆的Panorama厅DECHEMA Ausstellungs-GmbH，大会主办也将组织一个“China Lunch Reception”午餐会。感兴趣的会员可以参加。在展会期间也有很多地点提供工作机会。具体请查看网址。  
<http://www.achema.de/en/events/career-and-recruiting.html>

由于展会规模非常大，展位繁多，为期5天，为组织工作方便，请会员在4月20日之前申请前往ACHEMA的日期，天数不限，以便我们组织免费的入场票。

GCCCD理事会

Dear Members

ACHEMA 2015 will be held on **June 15<sup>th</sup> -19<sup>th</sup> in Frankfurt am Main**. Around 4,000 exhibitors and 180,000 visitors have already registered for this upcoming event. It will be world forum for chemical, chemical engineering and the process industry to exchange the future trend, innovation and technology. Details please find on the Achema website. <http://www.achema.de/en.html>

For this year ACHEMA, GCCCD cooperates with Evonik Industries AG ([www.evonik.com](http://www.evonik.com)) to provide our GCCCD members **free entrance tickets**. On 17<sup>th</sup> and 18<sup>th</sup> of June, Evonik will offer our members a dedicated guide tour on their booth to give you an introduction about Evonik (Hall 9.2 D40, Hall 5.1 C17). For those who are interesting to get contact with Chinese companies, on 17<sup>th</sup> of June DECHEMA Ausstellungs-GmbH will host a “China Lunch Reception” in Forum, room Panorama at 12:00 am. If you are looking for a job opportunity, you can get information on following website about where you can visit in ACHEMA: <http://www.achema.de/en/events/career-and-recruiting.html>

ACHEMA 2015 is a large event with a lot of interesting programs. For a better organization, please register your planning visiting dates **by 20th of April on the following website**.

If you have any question, please contact to Ms. Sinian Huang: [huang@dechema.de](mailto:huang@dechema.de) , tel. 069-7564276
